BRINGING YOU

SOME OF THE FINEST BRANDS IN

Glassware, Crockery, Cutlery, Buffetware,
Room amenities, Coffee Machines & more

At Bohemia Crystal Company, quality remains the most significant factor in respect to our products and services. Since the very inception in 1979 in Dubai, our objective has always been to provide quality products backed up with quality services to the hospitality sector. Based on this marketing philosophy our organization has selectively chosen to represent some of the finest brands that manufacture glassware, crockery, cutlery, buffetware, room amenities, coffee machines & more.. Our efforts and success towards the objectives are backed up by our ever-impressive list of clients.

Carrying forward the legacy of 20 years of experience in UAE , we entered the Indian Hospitality Industry on 2000. After a successful launch in Goa, we extended our reach in this country with branches in Mumbai, New Delhi and Bangalore, to cater the quality conscious clientele.

The strict adherence to our objective enables the company to obtain substantial share of the tabletop requirements in most of the new hotels that opened up in India during the last few years.

Today, we are proud to be associates with the Leela group, EIH Oberoi group, The Grand Hyatt, Le Meriden, Radisson, Marriott and the ITC Sheraton group of hotels.

Most of the brands that we represent are made available to our clients in India through our network of offices in Mumbai, New Delhi, Bangalore, Pune, Ahmedabad and Goa. With more plans of expansion, we look forward to reach our customers better and provide them with our ever so reliable quality assured services.

Finest Brands in Glassware

Schott Zwiessel is the pioneer in the art of glass making. Their 'Tritan' glass is acclaimed as the hardest crystal glass in the world.

Zwiesel 1872 represents a fusion of traditional excellence with fresh designs - creating new masterpieces in glass with international appeal.

San Miguel offers large range of shapes and colours, offering nearly 25,000 possibilities, with an excellent service, quality and competitive prices, just by recycling glass 100%.

The EISCH family, through three generations has grown into an important glass manufacturer. Eisch glass art is poetic, pictorial, plastic and bizarre.

LSA International design embraces hand production techniques to create fine glass and complex decors only possible with artisan production.

Italesse has developed their collections on the basis of values of prime importance, such as Italian design, the use of innovative materials, new technology research and the development of objects linked by the same family feeling
